

*"There is no better place for a young person
to hear God's voice or to be trained
doing ministry than at Beaver Camp."*

FOUNDATION FOR THE FUTURE

1969 - 2019 and beyond

Beaver Camp

Beaver Camp has been a place to grow for almost 50 years.

Over 26,000 youth have experienced life-changing relationships and programs in the majestic Adirondacks. We're not done yet!

Help us build a strong foundation for the future. An endowment fund of \$2 million will provide the resources needed for a well-maintained facility while empowering program development at both Beaver Camp and Maple Ridge Center. These ministries of the Adirondack Mennonite Camping Association have a direct impact on our churches, community, and region. We're thankful for the opportunity to serve upstate New York!

Your gift will ensure a solid foundation for the next 50 years and beyond. Please give us a chance to inspire, thrive, and grow.

"Beaver Camp gave me practice interpreting and teaching the Bible to young people.

This was crucial formation preparing me to serve as a literature professor."

Tiffany Eberle Kriner
Associate Professor of English
at Wheaton College

Why are we creating the Foundation for the Future?

- **Established financial stability.**
An endowment will help insulate AMCA from fluctuations in economic conditions.
- **New programs.**
This fund will allow AMCA to venture into new ministries as needs arise in our community.
- **Updated and expanded facilities.**
Financial resources are needed to update aging facilities and meet the rising demands of our guests. These facilities will allow us to serve even more campers, families, and community groups.

We have professionals available who can provide advice on these giving options. A contribution to the Foundation for the Future can be:

- Cash donation (directly given or pledged over a five year term)
- Publicly traded stocks or bonds
- Pledged retirement plans or mandatory distributions from retirement plans
- A beneficiary in your will or life insurance policy
- A donation of real estate, charitable trusts, gift annuities, art, or other items of significant value
